About the Institution:

Nalla Narasimha Reddy Education Society's Group of Institutions (UGC Autonomous Institution) is an integrated campus established in the year 2009 under the aegis of Nalla Narasimha Reddy Education Society. The Institution is approved by AICTE and affiliated to Jawaharlal Nehru Technological University, Hyderabad. The institute has been accredited by NAAC-A+, NBA-(ECE & CSE) and certified by ISO 9001:2015. The institution is located in a serene and lush green environment with abundant trees and plants. The Integrated Campus is having three schools Viz. School of Engineering (B.Tech-CE, EEE, ME, ECE, CSE, CSE (AI&ML), CSE (DS) & IT.), School of Pharmacy (B. Pharmacy) & School of Management Sciences (MBA). The Institution has highly qualified, experienced and committed faculty members in various disciplines. The Institution is imparting higher education to its students by providing excellent infrastructure and state-of-art Laboratories, Library with good number of volumes along with Centralized Digital Library with access to online journals like IEEE, ASME etc. Keeping in view the present day job market, the Institution has established Incubation Centre and Robotics Centre in the Campus to train the students in the technical concepts for better placement opportunities and also creates the entrepreneur abilities. The institution has active professional chapters such as IEEE, ISTE, and CSI etc.

About the Department:

The Department of Mechanical Engineering is established in the year 2009 as a part of School of Engineering. The department is well equipped with state-of-the-art infrastructure.

The Faculty has phenomenal expertise in all mechanical engineering specializations. The availability of laboratory equipment conducive for research, such as high end CNC machine, 3-D Printer and Softwares such as AutoCAD, CREO, ANSYS and MATLAB facilitate wide of academic projects and research works.

About Conference:

The 5th National Conference on Recent Trends & Innovations (RTIME-2K22) conducted through online mode in the area of Mechanical Engineering will be a national forum for academicians, researchers and practitioners, who are interested in the advances of mechanical engineering. The objective of RTIME-2K22 is to strengthen the relationship between research scholars, academicians, working professionals and scientists. The conference will focus on technical challenges, research updates and recent innovations.

Conference Topics:

- Design Engineering
- Automation & Robotics
- Quality Control
- Manufacturing Engineering
- Thermal Engineering
- Industrial Engineering
- Material Science
- 3D Printing
- Automobile Engineering &
- Other Mechanical Engineering Related Topics.

Call for Papers:

Authors are cordially invited to submit Full length papers for RTIME - 2K22 in IEEE format. Authors are requested to submit the papers to the convener through email: rtime.mech@gmail.com

Publication:

All the accepted papers will be published in RTIME 2k22 conference proceedings with ISBN No.
