

WEBSITE/ICT/SELF OR E-LEARNING COMMITTEE

Information and Communication Technologies are very vital to have a bi-directional electronic communication for the institute. To monitor the activities of the Web master and other co-ordinate with him for publishing the information on the college website and to motivate the students to use ICT for learning process and to take MOOCS courses to enhance their knowledge, college has constituted Website/ICT/Self-E-learning Committee.

Functions of the Website/ICT/Self or E-Learning Committee:

- The college Website Committee is responsible for maintaining the college's website. The committee ensure that content is up-to-date and accurate
- Collaborate with the campus web team to maintain current web standards, styles, protocols, etc. and build links to high level content
- Collect and discuss feedback from college members
- Generate and communicate ongoing task list
- Implement new features, and determine what should be included in the website.

Frequency of Committee Meeting: Once in every month preferably in the first week. In addition any extraordinary meeting will be conducted in the event of exigency
